Dear Colonel Knight:

On behalf of the Seminole County Sheriff's Office, I would like to extend my appreciation to you for the invaluable assistance your personnel provided during an investigation of the statewide racketeering case known as "Operation Check Out".

Please convey our appreciation to Lieutenant Cindy Williams, Trooper Jorge Diaz and Trooper Wooster Woodard for their exemplary performance and assistance they provided.

Due to the diligent efforts of all concerned, this operation continues to be very successful with arrests or capias requests completed, involving 22 counterfeit check cases, with an additional 13 arrests pending.

Again, please convey our sincere appreciation for the teamwork and assistance provided and please do not hesitate to contact us if we may be of assistance to you.
